**St. Margaret's-Pembine** is excited about, and preparing for, our 50<sup>th</sup> year Celebration (August 17<sup>th</sup>) in our current church. As we prepare, one of the events we will be

having is a "basket raffle". If anyone is interested in donating a basket or funds to prepare a basket, please contact the event leader, Mary Lou Neumann at 715-324-5738. Please plan to join us and keep us in your prayers as we prepare to celebrate.

Unlike other lay liturgical ministers, EM's, **Extraordinary Ministers of Holy Communion** (Communion Distributors) are to be commissioned for this ministry by the **Bishop**. This commissioning is preceded by proper and sufficient spiritual, theological, and practical preparation to fulfill their role with knowledge and reverence. The next available formation opportunity is **Saturday, August 3<sup>rd</sup> at St. Mary, Crivitz (10:00am-11:30am)**. WE HAVE ONE PERSON FROM ST. ANTHONY REGISTERED AND WILLING TO RIDE SHARE. If you have not yet been commissioned and are either serving as an EM, are bringing communion to someone who is homebound, or would like to do either, please let Fr. Felix know if you are able to attend or if you need another date for training. Bishop Ricken would like all parishes to receive the Eucharist under both species at special Masses. EM's are needed for these special events

**Condolences to the family of Barb Wetzel.**

She worked many years with Fr. Pat Bernardy at our parishes. Eternal rest grant unto her O Lord and let perpetual light shine upon her. May the souls of all the faithful departed, through the mercy of God, rest in peace.

You are invited to an eight-week Gospel experience, called The Rescue Project, to be held at **The Immaculate Conception Parish** in Iron Mountain beginning Tues, September 17<sup>th</sup> and running each Tuesday through November 5<sup>th</sup> (6pm to 8:15ish pm), with a half-day retreat on Saturday November 2 (8 am to 1pm.) The Rescue Project offers participants the chance to hear, discuss, and pray about some of life’s deepest questions, including:

1. Why is there something rather than nothing?
2. Why is the world so obviously messed up?
3. What, if anything, has God done about this?
4. If God has done something, then what is my response?

At each Tuesday session, you will be served a wonderful meal, experience beautiful worship music, watch a 30-45 minute video, and then have table discussions about what the Lord may be saying to you.

Childcare will be provided. All of this is free for participants. Space is limited, so please sign-up as soon as possible at:

<https://icparish.church/the-rescue-project>

If you have any difficulty signing up, please send a note to Rick and Sue Popp at [rickpopp@mac.com](mailto:rickpopp@mac.com) or call Sue at 248-787-1982.

If you cannot attend and would like to view the videos or if you want more information, go to: <https://rescueproject.us/>  
**(SIDE NOTE: if anyone would like to bring these sessions to St. Anthony in Niagara, just let Dawn know. We would need help providing meals for each session)**

**St. Margaret** is still looking for a parish secretary – please contact the office if you are interested in this position.

*St. Anthony will have Tuesday adoration, confession, and Mass for July 16 and 23<sup>rd</sup>.*

*Bishop Ricken has provided our diocese with pastoral direction on the practice of Holy Communion under both kinds (species of bread and wine – body and blood). For the next few weeks we will read sections of his directive...*

# Pastoral Instruction for the Diocesan Practice of Holy Communion Under Both Kinds (continued)

## **The Catholic Doctrine of Concomitance**

This doctrine teaches that the entire Christ is fully present, Body, Blood, Soul, and Divinity within each Eucharistic species. The Church came to understand that because Christ's Eucharistic presence is entirely dependent upon His presence in heaven (which is undivided), He must be present in the Eucharist as He is present in heaven. Being integral and undivided at the right hand of His Father, so too Christ's Body and Blood cannot be separated or divided in the Eucharist. Rather, the whole Christ is present within each Eucharistic element. This document must be upheld by all the faithful.

Consequently, a person who receives only one species without the other does not receive less Christ or less grace, nor one part of Christ at the exclusion of any other, nor even less grace, than a person who receives both species. It is not infrequent that Pastors hear their parishioners discuss the Eucharist in a way that evidences a certain ignorance of the Doctrine of Concomitance. While a deficiency in catechesis about Eucharistic theology is primarily the cause of this error, it is not difficult to see how insisting that the Precious Blood be offered to everyone at every Mass could also foster this misunderstanding. Rather than giving the communicant "more Jesus," reception from the Cup offers another or a different opportunity to receive the same Eucharistic Lord who was already fully received within the Consecrated Host.

## **The Principle of Progressive Solemnity**

By their very nature, Masses of the greatest solemnity within the liturgical year demand a higher and a fuller ritual. They include various ritual elements that are not usually contained in ordinary or regular celebrations. We see this principle at work throughout our liturgical year: for example, daily Masses are shorter and less ceremonious than Sunday Masses. Masses within the Octave of Easter are more solemn than Masses in Ordinary Time. Music, the use of incense, and the environment all helps to express the practice of progressive solemnity. These varying degrees of solemnity help the faithful to understand the importance of each respective celebration.

## **The Preservation of Unity**

The Eucharist is the sacramental source of the Church's unity. This has been stressed since the beginnings of the Christian tradition. As mentioned previously, the Diocesan Bishop cannot mandate reception of Holy Communion under both kinds in the Diocese. He can, however, give permission to Pastors who request it in their parish. This practice, however, could set up the possibility of parishioners traveling to churches to find where Holy Communion is offered from the Cup. In addition, since the practice is dependent on the Pastor's request to the Bishop, the way the parish receives Holy Communion could change with a new Pastor. Unity is continued by the uniformity of distribution of Holy Communion throughout the Church of the Diocese.

## **The Care and Reverence for and Protection of the Precious Blood**

The accident rate for spilling the Precious Blood during distribution is, relatively speaking, much greater than that for the Body of Christ. Unfortunately, many of us have memories of the Precious Blood being spilt. Such an accident is more difficult to reverently purify than the dropping of a Host. Purification becomes more difficult in churches that are carpeted. As small as this risk might be, it is an unnecessary one to take at every Mass.

## **Intinction**

Although the practice of intinction is allowed in the General Instruction of the Roman Missal, it is not to be considered an acceptable form of distribution of Holy Communion in the Diocese of Green Bay. The history of this practice in recent years has led to disunity. Thus, at any Mass celebrated within the Diocese of Green Bay, the practice of intinction must immediately stop.
